

ICACCT'18

INTERNATIONAL CONFERENCE ON APPLICATIONS OF
COMPUTING AND COMMUNICATION TECHNOLOGIES

MARCH 9-10, 2018 | SHYAMA PRASAD MUKHERJI COLLEGE | UNIVERSITY OF DELHI

ABOUT CONFERENCE

International Conference on ICACCT'18 (International conference on Applications of Computing and Communication Technologies - 2018) focuses on Intelligent and Complex systems, Information Processing and Latest Computation Techniques using principles of mathematics and engineering. The conference is being conducted to provide a platform for presenting innovative ideas, approaches, developments, and research projects in the area of Computing and Computer Technologies. Our vision is to facilitate information exchange between academia, researchers and industry professionals to discuss the latest issues and advancement in Computation and its applications. The conference and its publications will definitely act as a stepping stone to trigger related research and technology improvements in this important subject. Topics that will be covered by this conference can be discussed in term of concepts, surveys, state of the art, research, standards, implementations, running experiments, applications and industrial case studies.

All the accepted papers will be submitted for the publication in the prestigious **CCIS Series** (Communications in Computer and Information Science) of **Springer** (after double blind peer review process)

CCIS Series is Scopus indexed and listed under UGC as well

CALL FOR PAPERS

We invite authors to submit their complete unpublished papers and contribute in spreading their knowledge. Kindly make sure that the submitted paper is not under review in any other conference or journal.

ABOUT VENUE

SPM College is a well-known women's college of Delhi University. It was established in 1969 in the memory of distinguished academician and statesman Dr. Shyama Prasad Mukherji. The college is home to a highly accomplished faculty and excellent infrastructure that caters to the needs of over 3000 students. The infrastructure and amenities include a spacious building, sprawling lawns and playgrounds, a state-of-the-art, fully air-conditioned Auditorium, a fully computerized Library, a well-equipped Gym, Seminar halls, an Audio Visual room, a Web Access Center and various other facilities. All the labs, seminar halls, and 30 classrooms are equipped with projectors.

Besides offering full-time courses, the college also runs centers for the Non-Collegiate Women's Education Board and the School of Open Learning.

With an academically challenging curriculum and a thriving extra-curricular environment, the college is committed to preparing young women to face the challenges of the modern world.

Track 1

(Communication & System Technologies)

- Cyber Physical Systems
- 5G Communications
- Advanced Middleware Communication Systems
- Multimedia Communications & Security
- Systems for Smarter Energy & Sustainability
- Vehicular Information and Communication Technologies
- Energy-efficient communications
- Embedded Systems
- Microwave Communications Systems
- Satellite-aided navigation systems
- Run-Time Systems
- Systems on chip
- Fuzzy systems and logic

Track 2

(Computing & Network Technologies)

- Cognitive Radio Networks
- Cloud and Data Center Networks
- Edge/Fog Computing
- Network management and operations
- Context-Aware Networks
- Green Computing
- Content Delivery Networks
- Data centric Networking
- Internet-of-Things (IoT) Networks
- Software Defined Networks
- Wireless Sensor Networks
- Traffic & Congestion Handling in Vehicular Ad-hoc Networks
- Mobile Opportunistic Networks
- Wearable Computing
- Big Data and Smart Computing

Track 3

(Application & Services)

- Service Oriented Architectures
- Data Acquisition Services
- Service Semantics & Middleware
- Social Media, Data & Services
- Web Services & Storage Architectures
- Military and Defense Technologies
- Multimedia Service & Application
- e-Health & Smart City Service
- Other Services and Applications for ICT Convergence

**Venue: Shyama Prasad Mukherji College for Women,
West Punjabi Bagh, New Delhi**
